Write one action you have done in relation to the church in each of the six areas below; then circle the one you seem to do most often.

1. Service (assisting the leadership by doing physical tasks)
2. Teaching (explaining God's word)
3. Exhortation (giving biblical counsel)
4. Giving (financially sacrificing for God's work)
5. Leading (leading someone in a godly direction)
6. Showing Mercy (emotionally supporting the hurting)

Go through the lists under each TEAM and circle a ministry you would love to do (if you are already doing a ministry circle them anyway and put active by it).
