Home Missions – Coming out of a life of drugs, partying and crime, Manny Sanchez committed his life to Christ at age 16. He now is a church planter in San Diego. He and his wife, Jennifer serve the Lord in what is now called Catalyst Church. In the first year 40 people came to Christ and 20 of them were baptized. The church is in its third year and the Sanchez's are in awe of how God is transforming lives. Through the Annie Armstrong Offering for Home Missions we are part of this work. This week, pray for the Sanchez's and Catalyst Church.
